

Name : Sowanthari R P

Week 1 Assignment

1. Output

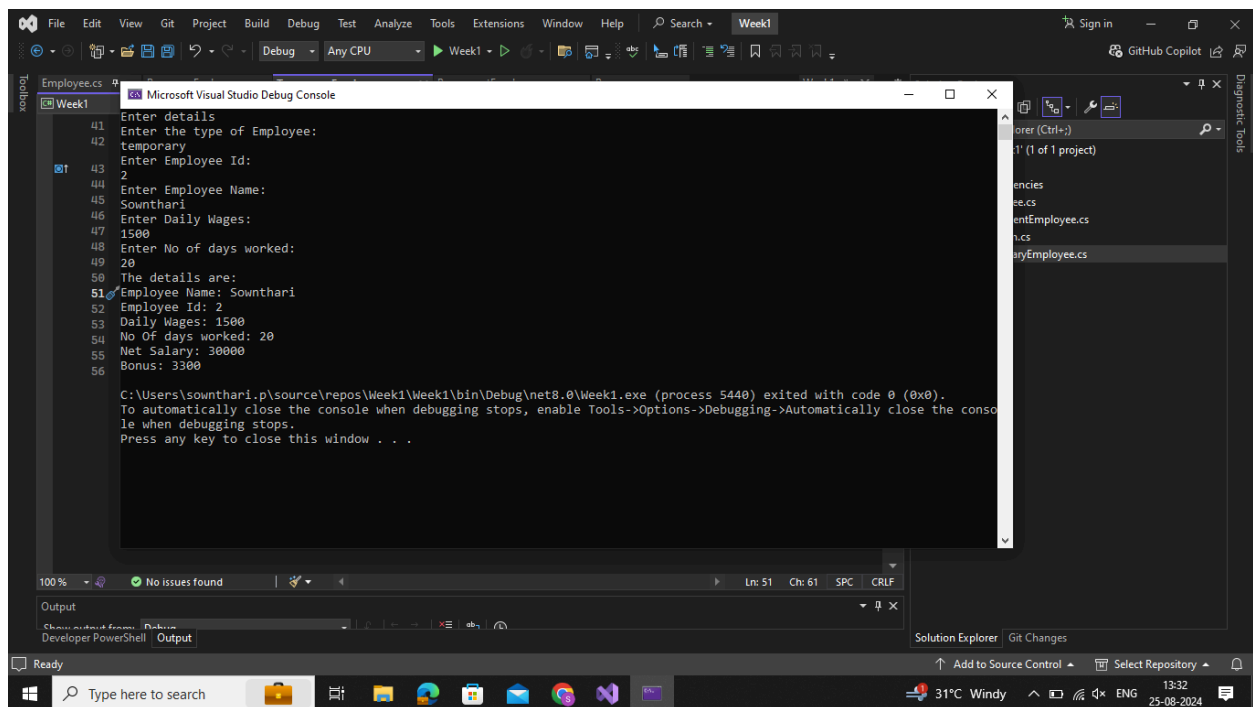

Case 1

The screenshot shows the Visual Studio IDE with a C# program running. The program prompts the user to enter details for an employee. The user enters 'Sowanthari' as the name, '1' as the employee ID, and '25000' as the basic salary. The program calculates the net salary as 23500. The output window shows the following text:

```
Enter details
Enter the type of Employee:
Console permanent
Console Enter Employee Id:
string? 1
if(type == 1)
{
    Console Enter Employee Name:
    Console Sowanthari
    Console Enter Basic Salary:
    Console 25000
    Console Enter PF:
    Console 1500
    Console The details are:
    Console Employee Name: Sowanthari
    Console Employee Id: 1
    Console Basic Salary: 25000
